Hey Sarah,

Thanks for notifying me about this. Yes, we can add them to this week's schedule and next. I have an influx of HEs and RV locations. How do you recommend we take care of this? I am going to make my way to Sylmar today to check out the RVs and some of these locations. If you may call later to discuss I will like your advice.

Thanks again,

Cristian,

Below are locations that we have service requests for that need to be added to CARE.
Can I have the team incorporate these locations into the schedule this week and next?
We need to make sure they are serviced.

Please advise.

Thanks,

Sarah
